

**Join Canon Paul Mass via Zoom:** more details are on the Parish pages on [www.avonstour.co.uk](http://www.avonstour.co.uk)

To do so, you will need to download the Zoom programme from the internet via your browser onto your pc, laptop, smart phone or ipad. Down load from this site: <https://zoom.us/>

Zoom is a well known, respected and secure video conferencing provider: Fordingbridge PCC used it successfully this week to hold a virtual meeting of 10 committee members. We can have up to 100 people in the video conference. You can download the programme onto your device for no cost.

Once you have downloaded the Zoom programme (please do this in advance to get used to the screen and instructions) you can join Canon Paul on Sunday by either using the links copied into your browser (which should take you straight to the "waiting room"), **or** by going into the Zoom site in your browser, and entering the meeting ID in the relevant box, and you will be in the "waiting room"

Links and ID are changed for each Mass and you will need to enter the correct ones. They can be found on the AvonStour web site and on Loaves and Fishes facebook group and printed in the newsletters.

Join around 10 minutes before Mass. When Canon Paul is ready, you will be admitted into the "meeting room" where Canon Paul will celebrate Mass. You will be able to see and hear him.
