Ask questions, spend time with our Lord, receive the Sacraments, have a lot of silly fun, and be renewed in your life and faith! **VOCATIONS TO THE [PERMANENT DIACONATE](#)** Have you ever wondered what it's all about but something has held you back from finding out more about it? Is there a little voice in your head, that can't be silenced? If that's YOU, why not 'Come & See' for yourself without committing to anything further? The diocese are holding an information event on Saturday 11th June at St Bede's church, Basingstoke from 9 am – 2 pm where you'll get to hear first hand, from those who are involved, what it's been like for them. You've got nothing to lose! If you'd like to attend, please call Pam on 07883 059529 to book a space and to help with catering requirements. If you can't make it on the day, but would like to know more, please contact Pam or email [diaconate@portsmouthdiocese.org.uk](mailto:diaconate@portsmouthdiocese.org.uk) or speak to Fr Kevin.

**Faith Matters Initiative** Our Pastoral Area (Fordingbridge, Ringwood, Highcliffe, Christchurch, Iford and Southbourne parishes) **is looking for a member** from Southbourne to join the Faith Matters team. Faith Matters is a Forum where ideas, on how to carry out Christ's work to the vulnerable and marginalised, are shared and translated into action; to act with parishes to identify those in most need and accompany and support them on their faith journey; to reach out to and engage youth in Christ's work, by offering them spiritual and practical opportunities to develop their personal relationship with Jesus. If this is something you might be interested in getting involved with please contact the parish office.

**CAFOD** The paradox of abundance: Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the current global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called Fix the Food System. See [www.cafod.org.uk/food](http://www.cafod.org.uk/food) for more information, including an invitation for parish groups to learn about the impact of our food with our Fix the Food System: a 7-station journey resource.

### MASS IN THE CHURCH

Updated MARCH 10<sup>TH</sup> 2022

**FACE MASKS IN THE CHURCH** Some members of the parish community have asked if people can continue to wear facemasks in the church, as there are some who feel vulnerable and the rate of infections locally seem to be increasing. The advice we have been given is that "Hand sanitiser should continue to be available in churches. Social distancing is no longer required. Many people may wish to continue using face coverings at Mass". We ask that people please consider the needs of others and wear facemasks if they can.

The **aisle to the far right** as you enter the main body of the church is for those who wish to socially distance and for those who are vulnerable.

**FACE MASKS** please do not disposable facemasks into the church bins; this is a possible contamination issue and puts George our cleaner and parish staff at risk. Please take any facemasks home with you.

*Thank-you for your co-operation.*
