MASS IN THE CHURCH

Updated MARCH 10TH 2022

FACEMASKS IN THE CHURCH Some members of the parish community have asked if people can continue to wear facemasks in the church, as there are some who feel vulnerable and the rate of infections locally seem to be increasing. The advice we have been given is that "Hand sanitiser should continue to be available in churches. Social distancing is no longer required. Many people may wish to continue using face coverings at Mass". We ask that people please consider the needs of others and wear facemasks if they can.

The **aisle to the far right** as you enter the main body of the church is for those who wish to socially distance and for those who are vulnerable.

Thank-you for your co-operation.
